

# MASONRY AND BRITISH ISRAELISM

## Undermining Christianity with Brotherhood

In our frequent references to Masonry in this text we have accused Masonry of not only complicity in the political aspects of the British Israel conspiracy but that it is the work of the Masonic Order to build the spiritual state of World Brotherhood, which is only the Masonic term for the kingdom of God on earth. If, then, we can recognize the subversive and pernicious spirit of World Brotherhood, then we can identify Masonry and British-Israelism as one.

In this section we shall dwell only for a moment on the political intrigue of Masonry but the frontal attack shall be upon the spiritual lie of the order that has deceived hundreds of thousands throughout the years.

In developing the process of the spiritual revolution or the religion of revolution we have attempted to prove that the spirit (belief in) of the New World Order is incompatible with the national sovereignty of America or any nation. If we can get this idea across then anyone can see the utter futility of political action to save our country as long as it is smothered with the spirit of the New Age. The chaos of spiritual bondage must be broken from the American people before they can save themselves politically. The captive mind cannot understand the contradiction of a constitutional government as set out in the United States Constitution and the kingdom of God on earth. Political action cannot be fruitful until the air is cleared of the propaganda of the kingdom message and/or World Brotherhood.

Masonry is the spirit of anti-Christ and the spirit of the unity of faith into a world religio-political state. While it denies with every breath the union of church and state, it is its spirit that has harmonized humanity into a collective world spiritual union. Though it takes on every political color imaginable it is of one spirit and one faith --

the Brotherhood of Man under the Fatherhood of God.

As has been said, Americans are so far removed from the truth that they can no longer identify Masonry as the spirit of anti-Christ. Masonry has changed the spirit of the American churches so that its victims cling to the name of Christian, but have the faith of brotherhood. Identification with the Christian faith is the source of power of British Israel-Masonry but we shall show that it is indeed the mystery of iniquity appearing as God.

To establish the Satanic Christian State, Masonry (which also is the arms and legs of world revolution) must amalgamate humanity into a colorless hybrid race. We quote from a publication distributed by the Edgar Cayce Foundation called THE SEARCHLIGHT Volume 14, #9, September 1962: "Though there may come those periods when there will be great stress, as brother rises against brother, as group or sect or race rises against race - yet the leveling must come..." "If there is not the acceptance in America of the closer brotherhood of man, the love of the neighbor as self, civilization must wend its way westward..." End of quote. On the hidden meaning of Americanism there is shed some light under the caption The New Order of Peace, and I quote: "The readings draw a very clear picture of the kind of world peace that will eventually be established. Reassuring is the terminology of the readings here, for they say this will come about, and that it will come about by the Spirit of God moving the hearts of men. Furthermore, the readings state that the principles in Americanism and the Masonic Order, will be the principles ruling the world!" V "For, with the changes that will be wrought, Americanism - the ism - with the universal thought that is expressed and manifested in the brotherhood of man into group thought as expressed by the Masonic Order, will be the eventual rule in the settlement of affairs in the world." "Not that the world is to become g Masonic Order, but the principles (spirit) that are embraced in the same will be the basis upon which the new order of peace is to be established...Raise not democracy nor any other name above the brotherhood of man, the

Fatherhood of God." End of quotes.

Any Mason aspiring to true patriotism is a pathetic self contradiction and a slave to the "light" that he supposes that he received from Masonry.

Upon initiation into the Masonic Order the initiate becomes a citizen of the world and as he receives more "light" in Masonry he develops the faith of world brotherhood. First he becomes a physical part of a world order which supercedes citizenship of the country of his birth. Then as the Mason becomes indoctrinated with the spirit of brotherhood his allegiance changes to the world brotherhood state and most do not realize that world brotherhood is diametrically opposed to the indefinite survival of independent nations. We have already seen that this same trickery is worked in the churches through the doctrine of the universal kingdom of God on earth. This is the same spirit of World Brotherhood and is different in name and outward form only. Often times we observe condemnations of Masonry by the kingdom message cultists. Positively this stems from spiritual deceit, because the faith of World Brotherhood is the faith in the collective salvation of man in the natural order kingdom of God. The millennialist and the Mason may believe that they are enemies but they are of one faith and one spirit. Now we repeat that if we can identify the spirit of world revolution we can know its treason under whatever name or form it may appear.

"Light and darkness are the relative terms for the operation of good and evil in humanity under human administration. All these things have to pass to make way for the new creation in which we are invited to cooperate. But before that cooperation can come we are asked to participate understandingly in the destruction of the false world order by accelerating the process of destruction, by coming out of it before it collapses..." Quoted from page 144 of the book THROUGH WORLD CHAOS TO COSMIC CHRIST. What kind of world can humanity expect from the destroyers of the faith and the murder of millions? The truth of the matter is, we must die

spiritually (reject Christ and His supernatural kingdom) and if need be die physically, in order to receive the blessings of the kingdom age.

The Aquarian or kingdom age of Masonry is a concept of a new world political-spiritual order centered and controlled in the British Empire. When one is made a Mason he is a physical and spiritual world citizen and his resulting faith in the salvation of the world through brotherhood becomes his "righteousness." To him the temple of humanity collectively attains its salvation based on the righteousness of man. The ultimate paradise to him is a marriage of heaven and earth. It is glorification of man and it is "imputed to him" for righteousness by Masonry. The carnal spirit of brotherhood cannot transcend a physical earthly glory. The Empire as the possessor of this spiritual power can dominate and control humanity under the false pretense of "world service." As to "...marking the progress of the Divine Plan of Interference in the normal course of world history...The whole theme of this cosmic prophecy relates to the approach to the ultimate reality of the prophecy - the symbolic resurrection of the race. This is revealed as to be effected by the Displacement of America from the government of the Motherland and the coalescence again of the Displaced governments at the End of the Age." Quoted from pages 457 and 458 of THE GREAT PYRAMID: ITS DIVINE MESSAGE. Does the above quote not tell us that the goal of the spiritual revolution is to put America back into the British Empire?

We quote now an article taken from the official organ of The Supreme Council 33rd Degree A. & A. Scottish Rite of Freemasonry, S.J.U.S.A., published at 1735 Sixteenth Street N.W., Washington, D. C., in the NEW AGE of September 1950, page 551; from the article entitled "God's Plan In America" by C. William Smith, New Orleans, Louisiana:

"There are three plans in action in America today and they all have different purposes. The first plan is God's plan, a nonsectarian plan; the second is the Roman Catholic plan, and this is a denominational or sectarian plan, and the third is

the Communistic plan, an anticapitalist plan."

"God's plan is dedicated to the unification of all races, religions and creeds. This plan, dedicated to the new order of things, is to make all things new -- a new nation, a new race, a new civilization and a new religion, a nonsectarian religion that has already been recognized and called the religion of 'The Great Light.'"

"Looking back into history, we can easily see that the Guiding Hand of Providence has chosen the Nordic people to bring in and unfold the new order of the world. Records clearly show that 95 per cent of the colonists were Nordics-Anglo-Saxons."

"Providence has chosen the Nordics because the Nordics have prepared themselves and have chosen God. They are not church worshippers, for they worship God's word--the Holy Bible. The Nordics are the great Bible-reading people of the world today, and the Nordics--Anglo-Saxons--were the first people to print the Holy Bible in great quantity, and they were known as the people of a book, that book being the Holy Bible."

"But, in order to read the Bible, it is necessary to know how to read. In the Nordic race there is no illiteracy. In Norway there has been no illiteracy for more than a hundred years. Another fact that shows clearly that the Nordics are God's chosen people this time is they are always looking for more light on the mission of life. Looking at their station of life, these great Bible-reading people should open the eyes of the world. King Gustaf of Sweden is a great light in the nonsectarian Masonic Brotherhood, and King Haakon of Norway is a Masonic light in Norway. The late King Christian of Denmark was a Masonic spirit in his Denmark; also King George of England is a Masonic light to his Anglo-Saxon people."

"Just as Providence has chosen the Jewish race--the Children of Israel--to bring into the world righteousness by carrying the 'Ten Commandments' which emphasize 'Remember the Sabbath Day and keep it holy,' so also Providence has chosen the Nordic Race to unfold the 'New

'Age' of the world--a 'Novus Ordo Seclorum.'"

"One of the first of the Nordics to reach the New World was the Viking, Leif Ericsson. He sailed from Norway to bring to his people in Iceland a new message, the message of the Christian God. But Providence moves in a mysterious way His wonders to perform, and so Leif the Lucky was sent by Providence to the New World. From the abundance of grapes found there Leif Ericsson called the place Vinland."

"It is easy to sense that Leif Ericsson was sent by the Guiding Hand of Providence to bring the Norse spirit of the 'All-Father' to the shores of the New World."

"The Nordics are the highest branch of the fifth Aryan Civilization. The Latins are of the fourth Aryan Civilization, and the American race will be the sixth Aryan Civilization. This new and great civilization is like an American Beauty rosebud, ready to open and send its wonderful fragrance to all the world."

"George Washington, Thomas Jefferson, Benjamin Franklin, John Adams, Thomas Paine and many others of the founders of the new nation in the New World were Nordics."

"Thomas Paine, the spark plug of the American Revolution, loved God but hated sectarianism. In 'These Are the Times,' he wrote: 'We have it in our power to begin the world all over again! A situation similar to the present hath not happened since the days of Noah, 'til now. The birthday of a New World is at hand.'"

"As stated before, God's Plan in America is a nonsectarian plan. Our Constitution is nonsectarian. Our great American Public Schools--God's chosen schools--are nonsectarian. The Great Spirit behind this great nation is nonsectarian."

"Our great American Public Schools have never taken away from any child the freedom of will, freedom of spirit or freedom of mind. That is the divine reason that Great God our King has chosen

the great American Public Schools to pave the way for the new race, the new religion and the new civilization that is taking place in America."

"Any mother, father or guardian who is responsible for the taking away of freedom of mind, freedom of will or freedom of spirit is the lowest criminal on this earth, because they take away from that child the God-given right to become a part of God's great plan in America for the dawn of the New Age of the world." End of quotes from NEW AGE.

If anyone can read this and not grasp the meaning of race war in America and see at the same time the instrumentality of Masonry behind it, he is simply dishonest and deserves the deceit received from affiliation with the Masonic Order. He who does not want the whole truth does not deserve any truth. Albert Pike agrees with this in a negative sense, in that he says that those Masons who do not aspire to esoteric or hidden Masonry deserve to be mislead and in fact are mislead as to the real meaning of the Order. To this, we add, is the understatement of all time. Albert Pike says in MORALS AND DOGMA, page 220, "The whole world is but one republic, of which each nation is a family, and every individual a child. Masonry, not in anywise derogating from the differing duties which the diversity of states requires, tends to create a new people, which composed of men of many nations and tongues, shall all be bound together by the bonds of science, morality and virtue." What Pike is saying here is, that Masonry as a political institution, can fit itself to any scheme of government in order to build the one faith of the coming world kingdom. Masonry is a diversity of politics and a unity of spirit. In other words, Masonry does not conflict with its ultimate goals when it promotes "Americanism," (by Masonic definition, Americanism is World Brotherhood), at the national level and promotes internationalism (spiritual state) at the same time. The only inconsistency is in those who follow the precepts of Masonry under the auspices of Christianity, patriotism and Americanism.

There is no question but that the government of

the United States is run by Masonry and the mechanical and perfunctory activities of Congress are a rubber stamp betrayal to the British Empire alias kingdom of God. The division of political parties is a farce that deceives the American people into believing they have a political choice according to the Constitution. The politics of Masonry as well as the spirit of Masonry are dedicated to the "Mother Country." The oath of allegiance of 33rd degree Masonry at the initiation rites in Seattle, Washington, May 15-17, 1941, pledges allegiance to the Supreme Council which is the Mother Council of the World, which is the Grand Lodge of England located in London. We quote the article entitled Allegiance: "The Bodies of the Ancient and Accepted Scottish Rite of Freemasonry, in the Valley of Seattle, Orient of Washington; acknowledge and yield allegiance to The Supreme Council (Mother Council of the World) of the Inspectors General Knights Commanders of the House of the Temple of Solomon of the Thirty-third Degree of the Ancient and Accepted Scottish Rite of Freemasonry of the Southern Jurisdiction of the United States of America." End of quote.

How many Masons are aware that behind the face of philanthropy Masonry is the instrument of power and subversion of and for the British Empire and that its codes and signs and symbols have a double meaning, the hidden meaning being treason to the Constitution of the United States? According to the final authority of Masonry, one Albert Pike, he says in his book MORALS AND DOGMA, page 104, "Masonry, like all the Religions, all the Mysteries, Hermeticism and Alchemy, conceals its secrets from all except the Adepts and Sages, or the Elect, and uses false explanations and misinterpretations of its symbols to mislead those who deserve only to be misled; to conceal the truth which it calls Light, from them, and to draw them away from it." On page 148 he states, "The symbols and ceremonies of Masonry have more than one meaning. They rather conceal than disclose the Truth." On page 819 Pike states, "The Blue Degrees are but the outer court or portico of the Temple. Part of the symbols are displayed there to the Initiate, but he is intentionally misled by false interpretations. It

is not intended that he shall understand them; but it is intended that he shall imagine he understands them. Their true explication is reserved for the Adepts, the Princes of Masonry. ...and who so attempts to undeceive them (the mass of Masons) will labor in vain..." End of quotes. This is not anti-Masonic evidence but is the confession of Masonry itself coming from the writings of the "Universal Pontiff of Masonry."

And we realize that Albert Pike knew the Satanic deceit of Masonry when he said "whoso attempts to undeceive them labors in vain." Few there be who come to understand the synthetic brotherhood of Freemasonry and fewer ever know its allegiance is outside the United States of America.

Masonry is spiritual and political Communism dedicated to British-Jew domination of the world and is enacting the scheme of British Israel to deceive and lure the people to believe that the New Age Kingdom World Government is a plan of God.

"The Communist International and Soviet Russia stand today as monuments of the Masonic ideal of Albert Pike symbolized by the three:

Destruction - Its organization of Terror

Materialism - Its assault on Religion

Imposition - Its communist State

This is a quotation from OCCULT THEOCRACY, page 618, and we agree only with some further clarification. Destruction and terror on one hand, and peace movements on the other, are a phase of uprooting governments. We would clarify the second stage by saying that the materialism of British Israel Masonry has assaulted Christianity by identifying with it. Materialism is the religion of British Israel Masonry and is not in conflict with itself as it would have us to believe. In the third stage of imposition of the Communist State we would more accurately identify the final objective as the Communist Christian Kingdom of God of British Israel. We do not agree that the

Communist State, as Russia supposedly is, is the ultimate aim of world revolution, but an embryo progenitor disguise of the same.

The aim of world revolution is to identify in form and substance with Christianity and the kingdom propaganda is carrying out this plot undetected, unopposed and unexposed. Any attempt to point at political Communism hides the identity and subversion of the other isms. Americans must realize that the spirit of anti-Christ is to be found as close to the truth as it can get.

We have repeated that moral evil operates and exists parallel to truth. Any obvious conflict of truth is only a shadow or decoy of a more concealed evil, i.e., such as Satan appearing as an angel of light. We see politics operating in the same manner. Americanism is a high sounding thought but its use is betrayal as it is promoted through Masonry. Americanism is now being used as a front for the treason of World Brotherhood.

We quote now from Foster Bailey's *THE SPIRIT OF MASONRY*, page 127, to demonstrate that the ultimate quest is the spiritual state and that the spiritual reality sought by Masonry is the same brotherhood kingdom of God on earth of British Israel. "The three degrees typify body, mind and spirit, the three essential parts of man. Often have we heard this. The same great trinity of stages of consciousness, and of achievements, which we enact as candidates, is being enacted by Masonry as a whole. Therein lies the significance of the present era and of the future."

"The greatest change in Masonry which has ever taken place was the transition of our order from Operative to Speculative Masonry. Pause and consider how few of us would be here tonight if Masonry were still Operative. This great group change required time and was dictated by events. When the religious reformation of the sixteenth century brought an end to the extensive ecclesiastical building programme in Europe, the usefulness and indeed the necessity of Speculative Masonry could not be long delayed. As the human race became more mental, Masonry perforce became more mental. Physical

skill in building, which had been an essential prerequisite, eventually became entirely unnecessary."

"The period of Masonic history before the sixteenth century was the degree of Planetary Free Masonry. It was the physical body stage, wherein there was an absolute requirement of bodily work and bodily skill. Then came the era of the second degree for all Masonry throughout the world, the mental stage, wherein knowledge was our quest. In this era the Masonic Fraternity has passed its Fellowcraft initiation, has learned its lecture well. We now stand ready to be Raised. That is why only the substitute word is available in the world today. The lost word cannot be found until the Masonic Fraternity itself is raised. Until then we have but the reflection of a promised glory."

"Again the age of crisis comes and we find great turmoil on every side. World events rush forward. Great change impends. The sons of men have come of age. New values emerge, new tasks appear, our vision dimly sees new goals. Man the thinker rules the world. He passes on through suffering to better things. The soul of humanity is being born. The sublime degree is about to be enacted on our planet."

"So must our noble Order achieve its high destiny, even as our Master Hiram traced the course upon the board. The Great Plan for man runs true. The Grand Architect shall not be mocked. Ancient Free and Accepted Masonry shall play its part and enter through the gate and tread the Way."

"Physical Masonry became Mental Masonry. "Mental Masonry shall become Spiritual Masonry. "We enter now this final stage, the greatest quest of all."

"The future of masonry shall be more glorious than the past. Our destiny is greater than we have yet dared dream. The breath of God is upon our order." End of quote. Surely we can begin to see that the progression of Masonry toward the spiritual state is simply the reality of the kingdom

of God on earth. Masonic Communism under the leadership of such Masons as Bela Kun of Hungary, Lenin, Trotsky and Kerensky (now in the United States of America living peacefully after his Masonic takeover of Russia) are blood brothers (spiritual and revolutionary) to Masonic British Israel "Christianity." In fact it is the spiritual and political unity of the kingdom of God which represents the synthesis of these supposed enemies (Masonic Communism and "Christianity") into the reality of their "pure doctrine of Lucifer." It is the spirit of British Israel (the kingdom message) which proclaims the collective totality of humanity in an earthly paradise, which identifies Masonic Communism and Masonic neo-Christianity as one. The state of mind (brotherhood) produced by Freemasonry disguises fictitious antagonisms (Communism versus Anti-communism), especially when veiled under different names. All revolution and war is toward the establishment of the kingdom of God British Commonwealth of the World. This "Commonwealth of Israel" is the universal Masonic Republic. Masonry is indeed the "veritable Sphinx" which is the motivator and mover of humanity into the World State. Satan's Christian state must be a spiritual as well as a political power. In our search for the perpetrators of revolution we must identify the spiritual plot in order to forestall the political advances.

We will see in esoteric Masonry the blending of opposites (male and female) into perfect harmony or equilibrium. Thus we need only to look at world revolution as it appears in the "Christ versus anti-Christ" facade in order to see its parallel and the source of its spirit. We can see also the "Christ" World State as the intended final World Brotherhood. The New Age Kingdom of God on Earth has for its goal the initiation of the human race into the ancient mysteries which it calls "the Christ." "The Christ," interpreted, is the sex force of the human male, but this aspect is veiled to the masses until the materialism (Masonry attempts to throw sand in our eyes with its hypocritical condemnation of materialism; it is itself materialism with the most emphatic definition of the word. It is what it condemns and its religion, based on the worship of generation, is

the most base sort of materialism) of the New Age can come in through the preparation of the collective mind for the earthly kingdom.

If we are to understand world revolution we must look beyond the five senses and discern the spirit of revolution. It is in its spirit that we recognize treason. If our trust is in Masonic politicians and ministers we must surely fall into outer darkness and national destruction.

The Masonic spirit (deification of man in an earthly bliss) has permeated the churches of all names and creeds and imprisoned their members with the aura of its counterfeit humanitarianism. It bleeds the soul of the grace of Christ and establishes instead the spiritual darkness of the Fatherhood of God and the Brotherhood of Man. We have noted that British Israel divides issues between ideological myths of its own creation and consistently we see its Masonic Communism "fight" its Masonic Christ. This ostensible battle between the forces of evil and the forces of good is designed to evolve into complete victory for the (cosmic) Christ and the "Christian State." We see then that so-called fundamental Christianity is the vehicle and camouflage for the Universal British Empire alias kingdom of God on earth. Thus the spiritual deception of the New Age Millennium is the veil that covers the political-spiritual unification of the world under the British Empire. The theocracy of Judaic-Masonic British Israel is a political religion whose spiritual deception leads to the unification of God (God of this world) and state. It is the development of faith and allegiance in the God-state which diminishes patriotism and nationhood. It is this unconscious world faith which establishes an unavoidable inner conflict between real patriotism and that which is imagined by the followers of the political messianic kingdom of God propaganda. No true appeal to patriotism can be made until the ridiculous contradiction of World Brotherhood can be understood for its true meaning. Its politics is Communism and its spirit is the kingdom of God on earth. It is one. We cannot condemn its politics and embrace its spirit. We cannot advocate political patriotism and spiritual treason as does Masonic British Israel. If we do,

we have not understood the duality of the plot which has beguiled us into self betrayal, under the cloak of Americanism. The terms patriotism, world brotherhood and/or the kingdom message are consistent by definition only with traitors and conversely if Americans aspire to patriotism they must divest themselves of the kingdom propaganda lest they too become traitors. True patriotism and true Americanism is opposed to political and Spiritual Communism. In this context we can see how the pied pipers of the right wing can give such perfect eulogies of patriotism while leaving us in a dense fog when we seek a solution to combat the evil Communism which they say is about to devour us. It seems incredible to imagine that they are profiteers and traitors whose pious prayers have disguised their half-truth hypocrisy and treason. We should begin to ask them about the Spiritual Communism called the kingdom of God on earth which is the plot of the British Empire to control the world in the name of Christ. Their reaction to this should prove that they are indeed the conspiracy themselves. They are the Communists that they accuse. Political action even with the intent of patriotism, is treason if it originates from a mind imbued with brotherhood or the kingdom of God on earth. Right action cannot originate from spiritual darkness. Patriotism is not possible from a spirit of World Brotherhood, it is only frustration and deceit. The avowed aims of "separation of church and state" does not tally with the avowed aims of the Universal Brotherhood of Man under the Fatherhood of God; the first is its (Masonry) front; the second is its plot.

It is with the establishment of this political religion in the name and form of Christianity which has caused the hope of the world to be the kingdom of God on earth. This spiritual unity of heaven and earth is the Judaised Pharisaic veil of world revolution. It is precisely the political rabbinicism which caused the blindness of the Jews, their rejection of Christ's kingdom of Grace and His subsequent crucifixion by them. It is also the source of spiritual blindness which denies the blessings of the grace of Christ and divides us against ourselves. We cannot have God The Holy

Spirit and a natural messiah; we cannot have America and the kingdom of God on earth. We must choose this day between Jesus Christ and the Cosmic Christ of British Israel Masonry; we must choose this day between the United States of America and the World State Kingdom of God on Earth British Empire. We cannot serve both God and mammon; we cannot serve both the Stars and Stripes and the Union Jack.

We must keep in mind that the Empire runs the world with its servant Masonry and that Masonry knows the meaning of the anxiety of race war and revolution in America and its planned objective of World Government in the name of Christ.

Masonry is spiritual darkness and it perverts the moral sense absolutely so that its participants cannot understand its iniquity and constant war against the Christian faith. It is certain that if the mass of Masons understood the hidden meaning of the Masonic Order, many of them would disassociate themselves from its shame and hypocrisy.

Our consistent purpose, however, is to show that as a nation becomes insinuated with a spiritual force dedicated to a world state, the political realities of national sovereignty become a farce and a fictitious sham. If our thought patterns on patriotism cannot escape the treason of World Brotherhood, we are indeed aliens in our own land in pursuit of its destruction. Diabolism has never had a more dedicated ally than the American people, whom it has made world citizens via its propaganda of a coming world kingdom of God Masonic paradise. We cannot save America if our allegiance transcends the Constitution. We can pledge allegiance to the flag and die in foreign wars, but all is in vain to a captive spirit. As a nation thinks in its heart so is it.

Masonry is a religion; but it is not the Christian faith but a World Government religion based upon the deceit that man collectively can become its own God and Saviour.

It is impossible to be a Mason, spiritually, and be

a Christian at the same time

It is equally impossible to reach true patriotism through Masonry.

It takes more honesty than most people have, to admit even after they are shown, that they as Masons, are enemies of the Christian faith and enemies of their country.

Of course the Order does not reveal to the mass of Masons, as shown in Pike's statements, the hidden meaning of the Order. Masonic language, ceremonies and high sounding moral principles and precepts delude its members and nonmembers by identifying with the Christian faith.

Masonry is not simply an innocent social fraternity as most of its members suppose. It is a political-religious brotherhood dedicated to the unification of the spirit of humanity into an earthly world kingdom without Jesus Christ but under the facade of Christianity.

That Freemasonry claims to be the supreme religion is voiced by Masonic authority. According to the motivators of the Order, Masonry is the supreme universal religion and all other religions including Christianity are only perversions of Masonry. Albert Pike says in MORALS AND DOGMA, Page 324, that Masonry is the foundation of all religions. Buck says in MYSTIC MASONRY, Pages 113 and 114, that Masonry is not only a universal science, but a worldwide religion, and it is the universal religion because it embraces all religions.

Masonry embraces all religions in order to build and harmonize them into the coming one world religion of the kingdom of man. Masonry also embraces all politics from Communism to Democracy in order to arrive finally into a political-spiritual synthesis. It is not inconsistent with Masonry for one Mason to be a left wing Communist and his fraternal brother to be a right wing "patriot." The very purpose of this "antagonism" is to bring final conformity out of conflict and all that is necessary to understand

this, is to look at the spirit of Masonry -- it is one world under the Fatherhood of God and the brotherhood of man, alias kingdom of God on earth.

The Masonic doctrine, like Mormonism and all the materialistic kingdom on earth cults, is universality, materialism and pantheism. It blends all heresies into one synthesis. Is this not Communism? Masonry promotes Judaism as Christianity aiming at a progressive universal religion while seeking to unite in itself all faiths and the cults of every people on earth. This is collectivism of the spirit, or Spiritual Communism.

Does the Masonic religion and the many cults such as Jehovah Witnesses and the fundamentalists parade their materialism before the world? No indeed, they heap rebuke on the mythical frauds of Communism and atheism for such heresy while they are the chief promoters of One Worldism, always using Christianity to hide their deceit. The mass of kingdom cults in America do not have to take the blame and bear the shame of their treason. They have Russian Communism to use as a goat.

The constant striving, sometimes through created conflicts and sometimes through harmony, to unify the spirit of man against Divine revelation is the spirit of World Revolution. Says Mackey on page 502 of MASONIC Jurisprudence: "The universal law of nature is therefore the only law suited in every respect to be adopted as the Masonic code." Not grace through Christ but the blending of the human spirit with God's creation. In other words, the law of nature or *lex naturae* is the religion of the New Age.

British Israel Anglo-Saxon Freemasonry changes the truth of Christ into a lie, and exalts its lies to the position of "Divine Truth." In the view of Masonry, the Bible is a pseudo-revelation because it does not appeal to the natural man. Sotheran says, "There is no institution that has done so much, and is yet capable of such great undertakings in the future for humanity, religion and political government as Freemasonry." End of

quote. It now proposes to sweep all opponents off the field and establish itself as the religion founded upon science and eternal reason. The Deist, Pantheist and Theosophist all are given welcome in its ranks, but the Christian must renounce his errors ere he can be a brother true, and a perfect man.

The following extracts from Masonic authorities betray this spirit of arrogant supremacy on the part of Freemasonry. "The sacred books of all religion, including those of the Jews and Christians, were and are no more than parables and allegories of the real secret doctrine transcribed for the ignorant and superstitious masses." "Salvation by faith and the vicarious atonement were not taught, as now interpreted, by Jesus, nor are these doctrines taught in the exoteric scriptures. They are later and ignorant perversions of the original doctrines. In the early church, as in the secret doctrine, there was not one Christ for the whole world, but a potential Christ in every man. Theologians first made a fetish of the impersonal, omnipotent divinity; and then tore the Christos from the hearts of all humanity in order to deify Jesus, that they may have a God-man peculiarly their own. All the ancient Mysteries had the true doctrine, and the early Christians had it. Masonry uncontaminated by the disciples of Loyola, had and has it also."

"Humanity in toto, then is the only Personal God and Christos is the realization or perfection of this divine Persona, an individual conscious experience. When this perfection is realized the state is called Christos with the Greeks, and Buddha with the Hindoos." "If the Christ state can be attained by but one human being during the whole evolution of the race, then the evolution of man is a farce and human perfection an impossibility."

"It also has been shown that every act in the drama of the life of Jesus, and every quality assigned to Christ, is to be found in the life of Krishna and in the legends of all the sun gods from the remotest antiquities." "Drop the theological barnacles from the religion of Jesus, as taught by him, and by the Essenes and

Gnostics of the first centuries, and it becomes Masonry. Masonry in its purity, derived as it is from the old Hebrew Kabbala as a part of the great universal wisdom religion of remotest antiquity, stands squarely for universal brotherhood of man." End of quotes from MYSTIC MASONRY, pages 119, 130, 138, 139, 140.

We see from this quote that the spiritual goal of Masonry is the Christ-state and the collective spiritual unity of humanity in the kingdom of God on earth.

Persuasive logic nor factual evidence can overcome the vanity of the beguiled Masons. They must explore the spirit of Masonry in order to see its treason.

Absolute tyranny must be erected upon mind control, the process of which, is completely subtle to its subjects. The reversing of the conscience of man, through a slow process of reeducation, builds a receptive spirit to the invisible power of suggestion. Man can then become enslaved and betrayed with his own thoughts. He has indeed become a mental robot, completely unaware that he is such, and absolutely oblivious to the invisible power that controls him. So then, as man thinks to do "good" he does evil; as he proclaims Christ he denies Him; as he seeks truth he tramples it; as he strives for political freedom he engages in sedition. In all these things he has the image of respectability and he believes in his heart he is right.

Mind control motivates ideological zeal, as opposed to superficial conviction. It is the solidification of ideological zeal for the world kingdom that causes the people to unwittingly subvert their national system into a world order, and when man is divided against himself, he is divided against God and His country -- not passively but actively.

We cannot destroy Communism and promote it at the same time in the form of Masonry or "Christianity." We must understand its spirit to recognize its disguises. Its spirit is the collective kingdom of humanity without the personal

redemption of Jesus Christ.

The Great Architect of Masonry is antithetical to the Jesus Christ of Revelation and no juggling or distorting of religious terms can make them the same.

Divine nature, says Masonry, is divided into male and female for the purpose of perpetual generation. Masonic religion and Masonic worship is related to the adoration of the generative powers of man. Phallicism is the religion of Masonry. Humanity is its own god and derives its deity from perpetual incarnation, says Masonry. Endless incarnation and the idea of the deity of man is the inspiration of all kingdom cults, which we have shown.

The worship of the creative principle or Great Architect negates man to God, the Creator, and moves him to the worship of God's creation. Through the development of the idea that man is of a divine nature, he begins to identify with the natural order of creation and seeks redemption and peace through the spiritual unity of man in the physical order.

The trickery of Masonry and the kingdom message propaganda is to deceive the spirit of man away from the personal God to the abode of Satan on earth after he was cast out of Heaven.

The allusions of Masonry to Heaven after death, is a veil to hide its spiritual deceit which eclipses man from God eternally. The Heavenly estate is prepared only for those regenerated through the blood of the personal God.

Those who can only see God in a perfectly ordered paradise earth are seeking God with the natural mind instead of God's revelation of himself through his kingdom of grace. They are seeking God in nature or they are seeking Divine nature and it is this "earthly" spirit that denies them the blessing they seek. Confusion as to the nature of God's kingdom sets the creation of God in the place of God. To say that the creation (man and the whole physical world), is to be God, is the spirit of the world kingdom religion- What then?

Shall we render unto Caesar the things that are God's?

If, in our minds, Heaven and earth merge, our spiritual allegiance shall be to the natural messiah of humanity.

The world by wisdom knows not God. The Trinitarian God can only come through the revelation of Himself to man. It is the carnal man, the natural man that seeks the "Supreme Being" in human history. The essence of God cannot be found in the natural world or through the speculation of men.

The twisting of scripture to turn God's work of grace back to a paradise earth in a future age is the vain striving of finite man. This impersonal pantheism of man leads man away from the living, personal, triune God Who exists independently of the universe.

The perfect order of God's supernatural kingdom, His new Heaven and new earth, has been a literal reality since the manifestation and revelation of Jesus Christ. It came in fulfillment of all the prophets. "The Law and the prophets were until John: since that time the kingdom of God is preached and every man presseth into it." Luke 16:16. If the kingdom of God is preached, it is the gospel of Grace of Jesus Christ.

The Christian God in the fullness of time manifested Himself incarnate in the person of Jesus Christ. The God of Christianity is the Father, the Son and the Holy Spirit; in which Trinity none is before or after the other; none greater or less than another; but the whole three persons co-eternal together, and co-equal.

Masonry does not identify its God as the Triune God of Christianity. To Masonry, the Trinity is sectarianism. The religion of Masonry is broad enough to include all the religions of antiquity except the Christian religion. Freemasonry only parades under the Christian banner at times so that the unsuspecting may become easy prey. So again, it is not always the language of Christianity that identifies the spirit of Christ, but more often

than not, it is used to veil thought expressions which are contrary to the Word of God.

Unless we can understand the use of this spiritual force, which pretends Christianity, as a weapon of power politics to motivate events along a preplanned course, we shall continue a course of history which will end in another World War and the utter destruction of America by the British Empire. What cares the Empire who is governor, or who is president, if it can move the nations at will, in the name of Christ?

Through a dual meaning of language and symbolism, the Masonic Order is used to carry out a systematic betrayal of its own fraternal brothers, while at the same time it uses them in their own betrayal.

Masons who believe that Masonry is simply a Christian Fraternity are deceived. It is not only not a Christian Fraternity, it is a religion based upon the worship of the Grand Architect, antithetical to the Jesus Christ of Revelation. The essence of Freemasonry is such that it is morally and absolutely impossible to hold and adhere to it, and to hold and to adhere to Christianity at the same time.

If Masons would honestly search the meaning of their Masonic Church and worship, they would find by authority of the makers and fathers of Masonry, such as Clavel, Ragon, Pike, Mackey and others, that Masonic symbolism in its original and proper meaning refers to the solar and phallic worship of the ancient mysteries, especially those of Egypt. That the Masonic religion is of a phallic nature is the opinion of the most eminent and best informed Masons.

Masons should apply the religious test to their order which requires a belief in "God," or later such as in Knight Templarism, requires belief in Jesus Christ as the son of God. The following quote is from Martin L. Wagner's book *FREEMASONRY AN INTERPRETATION*: "This religious test if honestly used and in its Christian sense, would exclude on the one hand all persons who do not believe that the unique Person, the

Jesus Christ of the New Testament, is the incarnate Son of God, and the Redeemer and Savior of mankind; and on the other hand it would admit only those who do thus believe in him and accept him as their Lord and personal Savior. It is upon the assumption that this 'test of faith' is used and understood in the Christian sense, that Templarism is claimed to be a Christian institution, and sets forth nothing but the Christian religion."

"Few things can be more misleading. The first element of truth that names be honestly used, is here ruthlessly violated. If this name of Christ were honestly used and in its Christian sense, this conclusion might be warranted. But it is not so used in Templarism, as any discerning student can plainly see, and it is therefore that sense in which it is used in this order, that determines the kind of religion, and the character of the religious ideas that qualify for admission into the order. Not what this name means in Christianity but what it means in Templarism determines whether this test is Christian."

"The faith in Christ that is demanded as a qualification for this degree is historic faith, a belief that the person presented to us in the New Testament as Jesus Christ, did actually live in the time and land therein set forth, and that He is the Son of God. This much devils believe and tremble because of it, but this belief does not make them Christians. This much we will grant that Templarism demands and believes, but it does not make Templars or their order Christian. They must in order to be Christians believe from the heart that this Jesus, God has made Lord and Christ, that He is the Messiah of Moses and the prophets, that in Him all the promises of God made to the fathers, are fulfilled and accept Him as their personal and only Redeemer and Saviour. They believe in Jesus as a man, as an historic personage, or even as a divine person, but no more. They do not accept Him as earth's creator and man's Redeemer from sin, death and the power of Satan. This is not the faith in Christ which the Church demands, and which Christ demands. This is not saving faith in the Christian sense. This is not that faith which makes men

Christians, and the confession of which marks them as Christians. True faith in Christ compels its confessors to rest absolutely in Him as their sole way to God's forgiveness and eternal salvation."

"This 'Christ' of Templarism is not the Christ of the New Testament and of orthodox Christianity; the personal Being, Son of God and Son of Man, 'the Mystery of Godliness,' 'God manifest in the flesh,' 'the Word made flesh.' He is not the Christ confessed in the ecumenical creeds and by orthodox churches, the 'Person in Whom dwells all the fullness of the Godhead bodily,' the One Who is 'true God begotten of the Father from eternity, and also true Man, born of the Virgin Mary.' The 'Christ' of Templarism is not the Christ of orthodox Christianity. The one is the product of human speculation, the other is God manifest in the flesh, the express image of His person, a record of Whom we have in the Holy Bible."

"This 'Christ of Templarism' is the 'Christ' of the Gnostics, the 'Christ' of the old Templars, not a divine-human person, true God and true man, but a mere idea, an elastic glyph, a philosophical notion, an aeon, an emanation, a spiritual and ethical concept, one or all of these personified, but separate and distinct from that Person Jesus Christ of Nazareth, and so flexible in his nature and constitution as subjectively conceived of, as to satisfy the most diverse opinions, speculations and religions of men. This 'Christ' is a false Christ, and if accepted is fatal to the individual's Christian faith and religion. The Templar's 'Christ' is one of the false christs that has arisen, that makes his appearance in the secret chamber and in the desert of human speculation, and has deceived many. This 'Christ' has nothing in common with the Christ of pure Christianity. Belief or faith in this 'Christ' of Templarism no more makes a man a Christian, than paint on a pump gives character to water, or painting a negro white, makes him a Caucasian."

"The qualification 'The Son of God' attached to this phrase and test of Templarism, does not change the matter. The Templar view of the 'Son of God' is the old Gnostic view, the view that has

passed down through many sects which were influenced in their theology far more by the oriental and Platonic philosophies, than by the Word of God. The 'Christology' of Templarism (and all Masonry) is irreconcilable and incompatible with the Christology of orthodox and New Testament Christianity." Quoted from pages 271-276 of FREEMASONRY AN INTERPRETATION, by Martin L. Wagner.

What this all means as a weapon of power politics, is that the building race means the building of the spiritual race. The promotion of self-identity as the God-race or God's people is the building of spiritual unity and the idea that all men are spiritual brothers and therefore of "One World," The one world spirit in the name of the New Age or the millennial kingdom, removes the conscious affinity of the people for national subdivisions such as the United States of America. Unveiled, it is the law of nature built upon a pernicious spirit that causes man to identify with and seek redemption or reclamation in the creation rather than the Creator.

To the extent that the spirit of man can be moved toward "Divine nature" or the kingdom of God on earth, to this extent he is moved away from the redemption of the saving grace of Jesus Christ.

Should the God of this world merge the spirit of man into a paradise earth, it would not be God.

If Americans can be separated from their national interest and goals, it cannot be done through the barbarism of the Communist hordes, but through the alienation of their spirit with the "Christian" propaganda of the kingdom message.

As a nation thinks in its heart so is it.

Masonic British Israelism is the bond that unites all forms of Millennialism (Kingdom Cults) into one great system of conspiracy with the design to mislead, always under the cloak of Christianity. Hence Masonry promotes Communism on one hand and a false Christianity on the other. Through their Christian fronts and World Evangelism they promote the kingdom message or

### Spiritual Communism.

We must be careful that it is not the language but the thought which is conveyed that determines our understanding.

The Bible is the most effective veil behind which Freemasonry can conceal its phallic religion. It hesitates not to employ that Holy Book in order to conceal its own falsehoods and idolatries and to deceive and mislead its over-confiding disciples. It calls things by their opposites. It substitutes legends for facts, expresses legendary lore and pagan myths in the language of Holy Scripture. It calls heathen deities by Biblical names of God, heathen rites by Christian phrases and Masonic doctrines in phrases and terms of Christian theology. The whole system is not what it appears or pretends to be. It is a pretense, a delusion, a fraud, a lie.

By substitution and juggling, the conventional and ordinary sense of our language betrays us. For example when we see the term Americanism in a Masonic publication or used by the John Birch Society we are suspicious of its use as a cover term for conspiracy. Other examples are such terms as Divine Government or Divine Order should be tested to see if the thought intended is World Government or refers to the true supernatural kingdom of God.

Watch the language and the kingdom message tie-in in all forms of pretended patriotism.

When Masonry talks about the New Age or the New Order of the Ages it is promoting World Government.

Masonry is of every color and political slant. It runs Communism and anti-communism with the intended purpose of fusing the two into One World Government.

O Almighty, Merciful and Gracious God and Father, with our whole heart we beseech Thee for all who have forsaken the Christian faith, all who have wandered far from any portion thereof, or are in doubt or temptation through the corruptors

of Thy Word, that Thou wouldest visit them as a Father, reveal unto them their error, and bring them back from their wanderings that they in singleness of heart, taking pleasure alone in the pure truth of Thy Word, may be made wise thereby unto everlasting life; through Jesus Christ Thy Son our Lord. Amen.

Grand Lodge of England uses the Jew's religion to establish World Government. ALL Freemasonry begins with the Grand Lodge of England.

The origin of sources from which flows the Kingdom Message. One can quickly see from the Masonic Pyramid that he can be a Communist or anti-communist and still serve the same master to his own enslavement, both spiritual and physical. The KEY used to test any movement is the Kingdom Message. The Kingdom Message is phrased in many ways. Some refer to a Christian World Order, some say Christian Government, many speak of the reign of Christ meaning political and earthly. It all adds up to the same thing -- Spiritual Communism.
